We will not ask for a fee, unless we think your request is unfounded, repetitive or excessive. Where a fee is necessary, we will inform you before proceeding with your request.

We aim to respond to all valid requests within one month. It may however take us longer if the request is particularly complicated or you have made several requests. We will always let you know if we think a response will take longer than one month. To speed up our response, we may ask you to provide more detail about what you want to receive or are concerned about.

we have used it unlawfully or where we are subject to a legal obligation to erase your personal data.

We may not always be able to comply with your request, for example where we need to keep using your personal data in order to comply with our legal obligation or where we need to use your personal data to establish, exercise or defend legal claims.

### **To restrict our use of personal data**

You can ask that we restrict our use of your personal data in certain circumstances, for example

We can continue to use your personal data following a request for restriction where we have your consent to use it; or we need to use it to establish, exercise or defend legal claims, or we need to use it to protect the rights of another individual or a company.

### **To object to use of personal data**

You can object to any use of your personal data which we have justified on the basis of our legitimate interest, if you believe your fundamental rights and freedoms to data protection outweigh our legitimate interest in using the information. If you raise an objection, we may continue to use the personal data if we can demonstrate that we have compelling legitimate interests to use the information.

### **To request a transfer of personal data**

You can ask us to provide your personal data to you in a structured, commonly used, machine-readable format, or you can ask to have it transferred directly to another data controller (e.g. another company).

These rights do not apply where we are authorised by law to make such decisions and have adopted suitable safeguards in

our decision making processes to protect your rights and freedoms.
